Our admission policy is the following for families who have applied by January 15, 2015: First priority is given to returning families, second priority to siblings, and third priority to new families. We strive to have a class balanced in regards to ages and gender. Because Inspire is a mixed-age classroom, we anticipate many spaces opening each year for new families as children move on to kindergarten. New families will be notified by February 1, 2015. Families must return contracts with fees and deposit by February 15, 2015 to reserve a space at Inspire. If spaces are still available or to be placed on our short waitlist a second round of applications will be accepted after February 15, 2015.
